Recreation Center Facilities

The Crowley Recreation Center features a total fitness area with cardio and strength training equipment, suspension track (389 feet, or 13.5 laps for a mile), exercise room, banquet and meeting rooms, fully equipped kitchen and a two-court gym. The fitness room includes Life Fitness treadmills, recumbent and stationary bikes, elliptical machines, dumbbells, kettle bells, Smith machine and free weights of various sizes. The Crowley Recreation Center also features a unique Teen Room, limited for youths between the ages of 12-17, consisting of multiple electronic games systems, foosball table, air hockey table, and movie projection system. The Wee Room, designed for all youths under the age of 12, is available for supervised playtime while parents enjoy the rest of the facility.
