

Membership Fees

The mission of the Crowley Recreation Center is to educate, engage and enrich the lives of our members.

A membership to the recreation center includes access to the gym, indoor track, fitness center and group fitness classes. There may be additional fees associated with special classes and/or programs.

There are several different options for membership and rates vary based on resident status. An annual membership purchase is equivalent to two months free! (Must be paid in full at time of registration)

****Military discounts are available.****

Please contact the CRC for more information.
