

Building Codes

BUILDING AND FIRE CODES

The City of Crowley operates under the following international building codes.

- 2021 International Building Code,
- 2021 International Residential Code,
- 2020 National Electric Code,
- 2021 International Plumbing Code,
- 2021 International Mechanical Code,
- 2021 International Existing Building Code,
- 2021 International Swimming Pool and Spa Code,
- 2021 International Fuel Gas Code,
- 2021 International Energy Conservation Code,
- 2021 International Fire Code.

Local amendments are available for download at the bottom of this page.

International Codes can be viewed on the [International Code Council](#) website, and the National Electrical Code can be viewed on the [National Fire Protection Association](#) website.
