

Children's Program

The Crowley Recreation Center provides two separate age-appropriate childcare spaces.

The Wee Room accommodates ages 6 months to 4 years old.

The Kid Zone will entertain your school-age children from 5 to 11 years of age.

Both spaces offer interactive activities as well as crafts and learning opportunities.

Please feel free to check out what we have to offer. Children 4 and under are included with a parents membership. Ages 5 and up are required to have a youth pass to attend childcare. Day pass visitors may pay \$4 per child for a daily visit.
