Are you hiring Firefighter/Paramedics?

We are currently hiring firefighters/paramedics. Please visit the [Human Resources page](#) for current job opportunities within the City of Crowley.

Does the Fire Department Respond to Medical Emergencies?

Yes. The Crowley Fire Department utilizes a fire-based EMS System and all of our firefighters are also certified medical professionals. Any time you call 9-1-1 for a medical emergency, you will have an ambulance (and often a fire apparatus) respond to your location with certified paramedics who have been trained and are signed off to work under the authority of a physician specialized in emergency medicine.

If I have fallen, who can I call for help?

For any kind of medical emergencies, please call 9-1-1. If you have fallen and are not injured or in harms way and just need help getting back up, please call the non-emergency dispatch number at (817) 297-2276 and the fire department will come assist you up!

Why should my home have smoke alarms?

In the event of a fire, properly installed and maintained smoke alarms could save the life of you and your loved ones. By providing an early warning signal, you and your family may be able to escape to safety.
