

Register your AED

The Crowley Fire Department is asking the public to help identify the location of all local AEDs (Automated External Defibrillator) throughout the city for an AED registry. This registry will help us identify the location of the AED in case of an emergency and allow us to know the needs of our local businesses, schools, churches, etc.

If you have an AED in your business and home in the City of Crowley, please fill out and submit the form below.

If you have any questions, please contact our EMS Chief at kstephens [at] ci.crowley.tx.us

You must have JavaScript enabled to use this form.
