CALL TO ORDER/ ROLL CALL

President Christine Gilbreath called the Regular Session to order at 6:15 p.m. Secretary Carol Konhauser called roll and noted a quorum was present.

BUSINESS

1. Discuss and consider approval of the minutes of the Crime Control and Prevention District Board of Directors meeting held on Jun 4, 2020.

Member Billy Davis made the motion to approve the minutes as presented, second by Member Carl Weber, the Board voted unanimously to approve the minutes as presented. Motion carried 7-0.

2. Discuss and consider Budget Amendment #2 for FY 2019-2020 Crime Control and Prevention District in the amount of \$144,612.

Police Chief Kit Long stepped forward and explained that this Budget Amendment was to purchase two (2) replacement vehicles along with all the necessary equipment such as cones, radio system, computer, etc.

Member Jesse Johnson made the motion to approve Budget Amendment #2 for FY 2019-2020, second by Member Billy Davis, the Board voted unanimously to approve the motion as presented. Motion carried 7-0

3. Discuss and consider Budget Amendment #1 for FY 2020-21 Crime Control and Prevention District in the amount of \$27,127

Police Chief Kit Long explained that the current Coban system that they use to record and download dash cam video and evidence is outdated and slow. Staff did research and feel it would be in the best interest of the PD to switch over to the Fleet Mobile System which is owned and supported by the Axon which is the system used for the body worn cameras. Switching to the new system would increase the productivity of the PD.

Member Billy Davis made the motion to approve Budget Amendment #1 for FY 2020-2021, second by Member Carl Weber, the Board voted unanimously to approve the motion as presented. Motion carried 7-0.

Service Terms and Conditions

Motorola Solutions Inc. ("Motorola") and the customer named in this Agreement ("Customer") hereby agree as follows:

Section 1. APPLICABILITY

These Maintenance Service Terms and Conditions apply to service contracts whereby Motorola will provide to Customer either (1) maintenance, support, or other services under a Motorola Service Agreement, or (2) installation services under a Motorola Installation Agreement.

Section 2. DEFINITIONS AND INTERPRETATION

- 2.1 "Agreement" means these Maintenance Service Terms and Conditions; the cover page for the Service Agreement or the Installation Agreement, as applicable; and any other attachments, all of which are incorporated herein by this reference. In interpreting this Agreement and resolving any ambiguities, these Maintenance Service Terms and Conditions take precedence over any cover page, and the cover page takes precedence over any attachments, unless the cover page or attachment states otherwise.
- 2.2 "Equipment" means the equipment that is specified in the attachments or is subsequently added to this Agreement.
- 2.3 "Services" means those installation, maintenance, support, training, and other services described in this Agreement.

Section 3. ACCEPTANCE

Customer accepts these Maintenance Service Terms and Conditions and agrees to pay the prices set forth in the Agreement. This Agreement becomes binding only when accepted in writing by Motorola. The term of this Agreement begins on the "Start Date" indicated in this Agreement.

Section 4. SCOPE OF SERVICES

- 4.1 Motorola will provide the Services described in this Agreement or in a more detailed statement of work or other document attached to this Agreement. At Customer's request, Motorola may also provide additional services at Motorola's then-applicable rates for the services.
- 4.2 If Motorola is providing Services for Equipment, Motorola parts or parts of equal quality will be used; the Equipment will be serviced at levels set forth in the manufacturer's product manuals; and routine service procedures that are prescribed by Motorola will be followed
- 4.3 If Customer purchases from Motorola additional equipment that becomes part of the same system as the initial Equipment, the additional equipment may be added to this Agreement and will be billed at the applicable rates after the warranty for that additional equipment expires.
- 4.4 All Equipment must be in good working order on the Start Date or when additional equipment is added to the Agreement. Upon reasonable request by Motorola, Customer will provide a complete serial and model number list of the Equipment. Customer must promptly notify Motorola in writing when any Equipment is lost, damaged, stolen or taken out of service. Customer's obligation to pay Service fees for this Equipment will terminate at the end of the month in which Motorola receives the written notice.
- 4.5 Customer must specifically identify any Equipment that is labeled intrinsically safe for use in hazardous environments.
- 4.6 If Equipment cannot, in Motorola's reasonable opinion, be properly or economically serviced for any reason, Motorola may modify the scope of Services related to that Equipment; remove that Equipment from the Agreement; or increase the price to Service that Equipment.
- 4.7 Customer must promptly notify Motorola of any Equipment failure. Motorola will respond to Customer's notification in a manner consistent with the level of Service purchased as indicated in this.

Section 5. EXCLUDED SERVICES

- 5.1 Service excludes the repair or replacement of Equipment that has become defective or damaged from use in other than the normal, customary, intended, and authorized manner; use not in compliance with applicable industry standards; excessive wear and tear; or accident, liquids, power surges, neglect, acts of God or other force majeure events.
- 5.2 Unless specifically included in this Agreement, Service excludes items that are consumed in the normal operation of the Equipment, such as batteries or magnetic tapes.; upgrading or reprogramming Equipment; accessories, belt clips, battery chargers, custom or special products, modified units, or software; and repair or maintenance of any transmission line, antenna, microwave equipment, tower or tower lighting, duplexer, combiner, or multicoupler. Motorola has no obligations for any transmission medium, such as telephone lines, computer networks, the internet or the worldwide web, or for Equipment malfunction caused by the transmission medium.

SERVICE AGREEMENT

500 W Monroe Street Chicago, IL. 60661 (888) 325-9336 Quote Number : QUOTE-1242891 Contract Number: USC000008435 Contract Modifier: R11-MAR-2020

Section 6. TIME AND PLACE OF SERVICE

Service will be provided at the location specified in this Agreement. When Motorola performs service at Customer's location, Customer will provide Motorola, at no charge, a non-hazardous work environment with adequate shelter, heat, light, and power and with full and free access to the Equipment. Waivers of liability from Motorola or its subcontractors will not be imposed as a site access requirement. Customer will provide all information pertaining to the hardware and software elements of any system with which the Equipment is interfacing so that Motorola may perform its Services. Unless otherwise stated in this Agreement, the hours of Service will be 8:30 a.m. to 4:30 p.m., local time, excluding weekends and holidays. Unless otherwise stated in this Agreement, the price for the Services exclude any charges or expenses associated with helicopter or other unusual access requirements; if these charges or expenses are reasonably incurred by Motorola in rendering the Services, Customer agrees to reimburse Motorola for those charges and expenses.

Section 7. CUSTOMER CONTACT

Customer will provide Motorola with designated points of contact (list of names and phone numbers) that will be available twenty-four (24) hours per day, seven (7) days per week, and an escalation procedure to enable Customer's personnel to maintain contact, as needed, with Motorola.

Section 8. INVOICING AND PAYMENT

- 8.1 Customer affirms that a purchase order or notice to proceed is not required for the duration of this service contract and will appropriate funds each year through the contract end date. Unless alternative payment terms are stated in this Agreement, Motorola will invoice Customer in advance for each payment period. All other charges will be billed monthly, and Customer must pay each invoice in U.S. dollars within twenty (20) days of the invoice date
- 8.2 Customer will reimburse Motorola for all property taxes, sales and use taxes, excise taxes, and other taxes or assessments that are levied as a result of Services rendered under this Agreement (except income, profit, and franchise taxes of Motorola) by any governmental entity. The Customer will pay all invoices as received from Motorola. At the time of execution of this Agreement, the Customer will provide all necessary reference information to include on invoices for payment in accordance with this Agreement.
- 8.3 For multi-year service agreements, at the end of the first year of the Agreement and each year thereafter, a CPI percentage change calculation shall be performed using the U.S.Department of Labor, Consumer Price Index, all Items, Unadjusted Urban Areas (CPI-U). Should the annual inflation rate increase greater than 3% during the previous year, Motorola shall have the right to increase all future maintenance prices by the CPI increase amount exceeding 3%. All items, not seasonally adjusted shall be used as the measure of CPI for this price adjustment. Measurement will take place once the annual average for the new year has been posted by the Bureau of Labor Statistics. For purposes of illustration, if in year 5 the CPI reported an increase of 8%, Motorola may increase the Year 6 price by 5% (8%-3% base).

Section 9. WARRANTY

Motorola warrants that its Services under this Agreement will be free of defects in materials and workmanship for a period of ninety (90) days from the date the performance of the Services are completed. In the event of a breach of this warranty, Customer's sole remedy is to require Motorola to re-perform the non-conforming Service or to refund, on a pro-rata basis, the fees paid for the non-conforming Service. MOTOROLA DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Section 10, DEFAULT/TERMINATION

- 10.1 If either party defaults in the performance of this Agreement, the other party will give to the non-performing party a written and detailed notice of the default. The non-performing party will have thirty (30) days thereafter to provide a written plan to cure the default that is acceptable to the other party and begin implementing the cure plan immediately after plan approval. If the non-performing party fails to provide or implement the cure plan, then the injured party, in addition to any other rights available to it under law, may immediately terminate this Agreement effective upon giving a written notice of termination to the defaulting party.
- 10.2 Any termination of this Agreement will not relieve either party of obligations previously incurred pursuant to this Agreement, including payments which may be due and owing at the time of termination. All sums owed by Customer to Motorola will become due and payable immediately upon termination of this Agreement, Upon the effective date of termination, Motorola will have no further obligation to provide Services.
- 10.3 If the Customer terminates this Agreement before the end of the Term, for any reason other than Motorola default, then the Customer will pay to Motorola an early termination fee equal to the discount applied to the last three (3) years of Service payments for the original Term.

Section 11. LIMITATION OF LIABILITY

Except for personal injury or death, Motorola's total liability, whether for breach of contract, warranty, negligence, strict liability in tort, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the price of twelve (12) months of Service provided under this Agreement.

Battery Backups and Power Delivery

PRIORITY:

1.00

JUSTIFICATION:

The items in this request will provide increased power redundancy, improved monitoring, and replace aging battery backups (uninterruptable power supplies, UPS). One APC Smart-UPS 2200VA will be new and three will replace existing UPS units that are 5 years old. The Power cord adapters (L5-20P to 5-20R) will allow the 2200VA UPS units to each be plugged into a dedicated locking power outlet. Two existing power adapters will be utilized. The five 10 outlet automatic transfer switches (ATS) will provide power redundancy for equipment with single power cords. The WebCardLX will add network monitoring to an existing UPS. The four APC 850VA units will replace the current battery backups for the computers in the emergency operations center.

3D LASER MAPPING MADE EASY

- + Map Quicker. Map Smarter. Map Safer.
- + Simple to Learn and Operate
- + Complete Field-to-Courtroom Diagram Solution

LTI's Mapping Solutions: Accurate. Easy. Affordable.

Laser Technology, Inc. (LTI) offers two complete mapping solutions that take you from the field to the courtroom in a simple, cost-effective, and efficient way. LTI's QuickMap 3D® App for Android or iOS devices captures all the laser data, auto-saves images to every mapped point and exports it all into file formats compatible with just about any CAD desktop software.

Experience an Easy Workflow

Enjoy the simplicity of a mapping app that is easy to understand and intuitive to use with helpful reminders as you map.

Take Photos within Your Map

Every photo you take is automatically saved with the file name, point number, and notations.

Quality Check Your Data on Scene

Watch your map take shape as you collect points. Work efficiently by reviewing and editing your data before you leave.

Email Your CAD-Ready Map

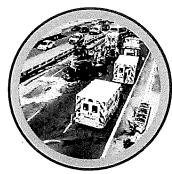

Enjoy a hassle- and cable-free data transfer from the tablet to your PC. Up to 70 percent of your CAD work is already complete.

Pay Less for Tech and Training

Save time and money with a mapping system that is both affordable to own and requires minimal training.

CITY OF CROWLEY CAPITAL REQUEST FORM

(ITEMS OVER \$5,000) **BUDGET YEAR 2020-21**

DEPARTMENT:

Police Department

DESCRIPTION:

Painting for Jail Floors and Entryways not Previously Requested in 2015. Painting for External Soffit, Doors and Railings on Building and Sally Port Floor

PRIORITY:

JUSTIFICATION:

Floors of the jail are concrete and porous. When wet from either rain, bodily fluid or common spills they present a slip hazard. Some existing floors have been painted and sealed with a non-slip additive to the paint. Four rooms in the jail and entry way vestibules were not painted at the time the original project was completed and do not match other floors. The sally port was never done originally due to size and estimated cost. External soffiting, doors and railings are becoming worn and rusting from exposure. Two doors and the gate to controlled parking are down to exposed galvanized metal and are unsightly. Rust and exposed imperfections in railing can cause an added risk to employee and visitor safety.

Customer Notes:

The first color is free. Additional colors require extra time, roller naps, and clean up, as well as paint. Every additional color adds \$100. If colors are not chosen at the time of the estimate, the color change fee can be addressed via a Change Order.

We request that the customer remove any and all small fragile items such as figurines, family pictures and heirlooms, to include any electronics such as stereos, tvs, computers and appliances prior to the arrival of painting crew. Five Star is exempt and not responsible from any moving damage of such items. The painters can assist in moving furniture to middle of the room if need be. Once paint color is agreed to and paint is mixed by Sherwin Williams and purchased by Five Star, the cost will be the responsibility of the customer. Tinted paint is not returnable. Any changes to scope of work/damage found after the quote is provided or work has begun must be agreed to in writing and signed by customer before change orders can be executed.

Not Included: Any scope of work not included in this quote will be addressed as a change order and will incur additional labor and/or materials charges.

Details

- A Five Star representative will always do a thorough walk around with the customer, before the job starts, to ensure everyone has the same
 understanding. E.g. Colors, wall to be painted, timeframes, etc.
- · Five Star will put drop cloths, paper or plastic down wherever painting is to be done.
- · Five Star will always remove plug and light switch plates from the wall prior to painting.
- · Five Star will always ask the customer where we can clean out our gear, we will never assume we can use a specific sink or area.
- · Our gear will always be stored in an approved area and will be covered with a drop cloth at the end of the day.
- · Five Star will do a clean up at the end of each day, and will do a thorough clean up at the completion of the job.
- · Five Star will always do a walk around with the customer at the end of the job to ensure that the customer is completely satisfied with the final product.

Scope of Work:

Interior Painting

Note: This quote is for the refinishing of the floors in the Sally Port and the hallway leading to the holding facility. Also includes the small area between the security doors leading from the waiting room to the holding facility and the small storage rooms behind the booking desk. This will also include the visiting area small room.

a. All concrete floors will be sanded using an industrial electric sander. The unit we use has a diamond encrusted pad on the bottom and etched the concrete so the product that we apply will adhere at its maximum potential.

b. Where the industrial sander cannot reach we then use a belt sander to etch all inside corners. 40

grit belts are used to etch inside corners, etc. Once sanded we use wet/dry vacs to remove all dust/sand/contaminants/ to further ensure proper adhesion. We then apply a Sherwin Williams masonry primer. This helps with hot tires not removing the Armorseal. c. We then apply a Sherwin Williams "Armorseal" Coating. This particular

product we generally spec for industrial applications. Industrial meaning commercial warehouse flooring where heavy forklift and foot traffic is present. This product should more than satisfy the wear ability requirements of the facility.

d. Here is a link for the product along with msds sheets: https://www.sherwin-williams.com/architects-specifiers-designers/products/armorseal-rexthane-i

e. Much like last time, just a friendly reminder that this product smells terrible while being applied. We will have fans to assist with the drying out of the hall leading to the prisoner holding area but the scent will bother some folks who are sensitive to strong odors.

Total Project Amount: \$7,734.50

Exterior railings, fencing, gates, brick ledge, etc.

- 1. All exterior metal trim will be steel wire brushed to remove all rust, old loose paint, etc. This would also include the 2-36" sally port doors.
- 2. All ground areas will be covered with drop cloths, plastic, tape, etc.
- 3. All metal will be wiped down with tack cloth to remove all dust.
- 4. All metal areas will be painted with an exterior finish coated with an exterior Sherwin Williams industrial enamel. Final color to be determined.

Total Project Amount: \$3,198.00

****Due to material and labor costs our quote will only be valid for 30 days****
All work we perform comes with a 5 year warranty starting on the day we complete the project. The only exclusions would be damage due to weather or the intentional destruction of the surfaces we work on. Any and all warranty work will be repaired or replaced at our discretion.

Thank you for the opportunity to quote your project, Keith Simon/Landmark Property Services

If our quote is satisfactory please send an email authorizing us to do the work and we will schedule it asap.

SUBJECT: Discuss and elect a new President and Vice-president for the remainder of the

term ending Jun 2021 pursuant to the City of Crowley Code of Ordinance,

Section 2-146.

BACKGROUND/DISCUSSION

Pursuant to the City of Crowley Code of Ordinances, Section 2-146, the Board shall elect, from among its members, officers to serve as President and Vice-president for a 1-yr term. A vacancy on the Board shall be filled for the unexpired term by the Board. For the current term, the Board President is listed as Christine Gilbreath and the Vice President is Jesse Johnson. Due to a vacancy, it is now necessary to appoint a new President and Vice President for the remainder of the term ending June 2021. It is typical of other boards for the Vice-President to move up to the President position and a new Vice-President is selected.

FINANCIAL IMPACT

None.

RECOMMENDATION

Board action is required by nomination and voting for a President and Vice-president.
