Profile

I have lived in the Crowley area since 1974, and I have served the City of Crowley as Council Member Place 1 for 16 years.

I am currently employed with a software company and have previously managed distribution centers for Rubbermaid and Navistar formally International Truck and Engine.

I have seen Crowley grow from 3,500 to over 15,000 residents. It has been an honor to serve the residents of Crowley for the past 16 years. Our fire department and police department continue to grow and are second to none when serving the residents of Crowley.
