

# Responsibilities

Code Enforcement is responsible for maintaining and preserving the integrity of our city. The City of Crowley wants to provide its residents with a nice, clean environment to live in, and it is the job of the code enforcement officers to enforce Crowley City Ordinances.

Code Enforcement is staffed by one code compliance officer and supervised by the Crowley Police Department.

## Non-criminal Issues

The code enforcement officer enforces the City Code in non-criminal matters such as:

- Abandoned vehicles
- High grass
- Other public nuisances
- Trash and debris

To report a suspected code enforcement violation, you may submit your concern on the [City's Public Portal](#)
