

# Kid's Corner

## Story Time

This is a special time to share books and be creative with your toddler and preschoolers. Story Time includes interactive storytelling, craft and a snack.

**Story Time will be on break during the months of August and January.**

## Schedule

- Wednesday at 10 a.m. - Toddler Story Time
  - Friday at 10:30 a.m. - Toddler Story Time
- 

## Tinker Tuesday

Join us on Tuesdays for our active STEM (science, technology, engineering, math) program. This program encourages families to get hands-on and interactive at the library. Throughout the library, there will be age appropriate activities for families to complete together.

---

## Family Place Parent-Child Workshop

Family Place emphasizes the importance of play in early learning and the importance of parents and caregivers to promote and participate in children's play. All families need information, support and connections to local resources. Our new fun and play-based Parent-Child Workshop is a relaxed informal program where families can play and learn together, make friends and talk one-on-one with child development and early literacy specialists. Workshops are five-week sessions held twice a year. The spring session starts in March and the fall session will be in September.

### Spring 2024 Family Place Schedule:

- March 7 - Speech
- March 14 - Literacy
- March 21 - Nutrition
- March 28 - Early Childhood Development

- April 4 - Music

Sessions start at 10 a.m., [click here to register](#) and find out more information on how to get your little one involved.

---

## More Information

For more information regarding any of the Kids programs and resources please contact 817-297-6707 ext. 2030 or the cwinner [at] ci.crowley.tx.us (email the Children's Librarian).

## Safety Reminder

For safety and the courtesy of other patrons, please keep children near you while visiting the library.
