

Crowley Animal Shelter Pet Adoption Process

News Release Date

06-24-2022

Though Crowley Animal Shelter is limiting volunteer traffic in the shelter to prevent the spread of infectious illnesses, it is still conducting adoptions by appointment.

Check out our available animals by [clicking here](#).

Give the Shelter a call if you see any pets you'd like to meet at 817-297-5160 or 817-297-2201 ext. 3320

Adoption fees \$35 for cats and dogs.

Each adoption includes core vaccines, dewormer, flea/tick preventative and a microchip.

If a pet is currently receiving antibiotics, you will be sent home with antibiotics to continue treatment.

If the pet is not already spayed/neutered, the adopter will be required to schedule the surgery and get them fixed.

If you are able to help us get animals spayed/neutered, heartworm tested, tested for fiv/FELv, pain meds and antibiotics, please visit ci.crowley.tx.us/animal/page/donations
